WELCOME MESSAGE

Summer 2025 arrives at a complex moment in history. With ongoing global conflicts, an increasingly polarized political climate, and the rising cost of living impacting families across Canada, it's more important than ever to invest in what matters most—our children.

Children are the heartbeat of our future. Let's give them a summer they'll never forget, One filled with joy, growth, connection, and discovery.

Summer camp is more than just fun and games. It's a chance for young people to build confidence, meet lifelong friends, engage in meaningful physical activity, learn new skills, and soak up the sun before heading back to the structure of the school year. Whether it's canoeing on a quiet lake, exploring science in a hands-on lab, creating art that speaks to their soul, or simply laughing with new friends around a campfire—these are the moments that shape character, spark passion, and create memories that last a lifetime.

This guide is designed for families exploring camps for this summer or planning ahead for future years. It's also for community members, donors, and advocates looking to support youth-focused charities doing impactful work across our region.

At CharityAxess, we champion all youth—those who are Black, Indigenous, living with disabilities, and 2SLGBTQ+. We believe every child deserves access to enriching experiences, regardless of background or ability.

Thank you for reading. We invite you to explore CharityAxess to discover a charity that resonates with your values and vision for the future.

Let's make this summer count.

Kind Regards,

The CharityAxess Team

THANK YOU NOTE

As we head into another vibrant Canadian summer, we want to extend a warm and sincere thank you for taking the time to explore this guide. Whether you're a parent looking for the perfect camp, a community member seeking to support inclusive youth programming, or a charity doing the incredible work of uplifting children, you are part of something deeply meaningful.

Summer is more than a season. It's a spirit. One of possibility, connection, and joy. We hope this guide helps you discover camps and organizations that spark curiosity and build unforgettable experiences for the kids in your life and your community.

At CharityAcess, we believe that when children thrive, we all do. That's why we created this resource, to amplify inclusive, accessible, and life-changing opportunities across Southern Ontario. Camps listed here aren't just programs; they're safe spaces where children feel seen, celebrated, and supported. From lakeside adventures to science labs to arts collectives, every one of these camps offers something transformative.

This summer, we invite you to make the most of it. Check out local charity [events](#). Sign up to volunteer if you have the time. If you're led and able, consider making a [donation](#). Every gesture of support helps create a richer, more inclusive world for our kids.

We also welcome you to support our [Kids at Camp Fund](#). All donations to this initiative are disbursed directly to the charities featured in this guide, helping to cover camp fees, provide accessibility support, and ensure no child is left on the sidelines due to financial barriers.

Let's make memories. Let's make a difference. And most of all, let's make this summer count!

Sincerely,

The CharityAcess Team
